

## **GDST Health & Safety Policy Statement**

This policy applies to all GDST schools and locations including Trust Office, to all phases: Senior, Junior and EYFS, and includes both on-site and off-site activities.

The Council of The Girls' Day School Trust (GDST) ('the Council' and 'the Trust' respectively), and the Board of GDST (Enterprises) Ltd recognise and accept that under the Health & Safety at Work etc., Act 1974 ('the Act') and in particular The Management of Health and Safety at Work Regulations 1999 (as amended) they have legal responsibility to provide, so far as is reasonably practicable, for the health, safety and welfare of all their employees and also that they have certain duties towards pupils, the public, and people who from time to time use their premises.

The GDST recognises that the Health and Safety Policy will operate in conjunction with other GDST policies, notably the Safeguarding policy.

It is the policy of the Council and the Board, through a risk management approach, to meet its responsibilities under the Act, Regulations and approved Codes of Practice, and all other regulatory requirements and it will therefore take appropriate steps to:

1. Provide and maintain, as far as is reasonably practicable, safe and healthy places of work; safe plant, equipment and machinery; safe systems and methods of work; safe methods of using, handling, storing and transporting articles and substances; and adequate facilities and arrangements for the welfare of all employees and pupils.
2. Provide all employees with the information, instruction, training and supervision that they require to perform tasks in a safe and capable manner and recognise and manage risk.
3. Develop risk awareness amongst all pupils so they are able to contribute to recognising and managing risk.
4. Provide and maintain a safe environment for all visitors to Trust schools, Trust Office and other Trust premises, bearing in mind that these visitors may not be aware of all the risks arising from their use of the Trust's facilities.
5. Manage risks to all employees, pupils and others (including the public) in so far as they come into contact with foreseeable work hazards and endeavour to prevent personal injury and ill health to all employees, pupils and others.
6. Have effective emergency procedures in the event of fire or other significant incidents affecting GDST premises and their occupants.

7. Consult and co-operate with partners working with the Trust in delivering its services to ensure that foreseeable health, safety and welfare risks arising from such working are suitably and sufficiently managed.
8. Consult and communicate with employees on health and safety matters through the Executive Officers of the Trust, each school's Head, Health and Safety Coordinator and Health & Safety Committee, and with staff at Trust Office.
9. Maintain and continually improve the standards of health and safety across the Trust by adopting a 'Plan-Do-Check-Act' health and safety management model and undertaking regular H&S reviews and audits.
10. Ensure that the detailed procedures and guidance for implementing the aims of this Policy Statement are publicised, made available to all Trust employees and can be used as a practical working document.
11. Keep this Policy Statement and the detailed health and safety procedures and guidance on the Health and Safety section of the Hub under regular review in line with changing safety practices and current legislation.

The Trust is determined that good standards of health, safety, welfare and risk management are achieved in all its schools. The Trust requires all schools to implement a 'Health & Safety Improvement Plan' with the guidance and support of the Trust's H&S Advisers and attain the recommended standards set out in the 'Health and Safety' section of the Hub.
