GIRLS' DAY SCHOOL TRUST

Dear Visitor

As you will understand, the health and wellbeing of all our staff, students & visitors is of paramount importance as we now operate under Government Covid-19 guidelines, on the roadmap out of lockdown.

We are looking forward to welcoming you to the school for the Peter Pan Show, but it is important that we take this opportunity to explain our expectations of you.

- We would like to encourage all visitors to carry out a home test before attending your booked performance.
- On arrival your temperature will be checked, anyone with a temp over 37.5 may not be allowed to enter the school.
- You will be asked to scan the school's QR code on your smart phone to register yourself with the NHS track and trace service. If you do not have a smart phone then you will be asked to complete a register which we will hold for 21 days.

You will be asked to confirm the following -

1. that you do not have any of the symptoms of Covid-19
2. that to the best of your knowledge, you have not been in contact with anyone suffering from symptoms of Covid-19
3. that you have complied with the Government guidance and regulations currently in place regarding social distancing, households, etc.

This guidance can be found in full online here: <https://www.gov.uk/coronavirus>

The wearing of a face covering in the school is compulsory, we would advise that you bring your own, but one will be provided for you, if necessary. During the interval, refreshments will be served outside and we would kindly request that all visitors maintain a social distance from others at this time. You will be required to sanitise your hands on arrival and before you re-enter the school.

If you have any further questions the please do not hesitate to contact reception. Our number is 01225 313877. We look forward to welcoming you.

Kind regards,
